Travel Dates

Booking Travel using GovTrip requires that you first provide information about your starting and ending locations (usually your home or duty station) and your TDY Locations for per diem purposes. You will be able to request bookings for transportation (e.g.,air,rail) and lodging after these initial steps are complete.

Per Diem Locations

Per diem location dates may not overlap other added locations or the trip Start and End dates. To update location dates for a specific per diem location you must first either update the Start and End trip dates, or update the other per diem location dates so that no date overlap occurs.
